Rolling for Funds

PUBLIC GROUP FUNDRAISING

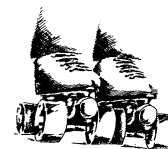

Public group fundraisers are great if you are not sure how many people to expect or if you think you might have less than 100 skaters. A group fundraiser is a low-risk way to have some fun and make some \$\$\$.

For a fundraiser we sell two types of tickets for your group. The first ticket is your group's skater ticket. The skater ticket will include admission, skate rental, and special rebates for your group. Your skater ticket can be the same price as our regular admission or you can charge a premium to try and make more money. Any ticket premium added over the regular ticket price the extra funds collected will automatically be added to your groups profit. The second ticket is a general admission ticket for spectators and is always \$5.00. The spectator ticket will include one free drink from our café (Max \$2.50 value) and add to your rebates.

With **50 - 99** tickets sold you get a per ticket **rebate of \$1.00**

With **100-229** tickets sold you get a per ticket **rebate of \$2.00**

With **230-299** tickets sold you get a per ticket **rebate of \$3.00**

	Ticket Rebate	Ticket Premium	
Total # of Tickets Sold	\$1, \$2, \$3	+	\$1, \$2, \$3 = PROFIT FOR YOUR GROUP

We are happy to help you promote your special event. We can provide a digital flyer for social media distribution and hall posters to help get people excited. Online ticket sales are a great way to increase your numbers and track your tickets sold. We are happy to get online ticketing for your group set up and help you sell your special event tickets at rollercave.com. Some groups like paper flyers and we can help with those too. The first 100 flyers are free and extras are available for a small charge.

All standard Roller Cave rules apply during your fundraising event. This policy includes, but is not limited to, our rules regarding **NO DROP OFFS** and **NO OUTSIDE FOOD OR DRINK**. Our concession will be open and group discounts and meal packages are available for an extra fee. Depending on availability, some seating will be reserved for your group. Required \$100 deposit will be refunded as long as you sell at least 30 skater tickets.

PRIVATE SKATE PARTY FUNDRAISING

Food, Music, Party Themes, Pricing....it is all up to you! Private events can be great for anyone expecting 100 or more people. You rent the rink and you set your ticket prices. We have our set costs, but you control the rest. Come and roll with us for FUN & FUNDRAISING at the same time!

Fundraising rink rental starts at \$499.00 for the first two hours and first 50 admissions. For longer events, rates start at \$150.00 per additional hour. Your first 50 tickets are included, but after the first 50, additional people are just \$6 each. Remember that pricing is per admission and not per skater. Skate rental is free with all private party admissions.

You set your own ticket prices. You can sell one ticket for everyone, or set up different tickets, it is up to you. Either way we can provide a digital flyer for social media distribution and hall posters to help get people excited. Online ticket sales are a great way to increase your numbers and track your tickets sold. Some groups like paper flyers and we can help with those too. The first 100 flyers are free and extras are available for a small charge.

Food & Drink...It is up to you – Option #1 - You can choose to bring food and drink, as long as you clean up your own mess (Sorry...No Alcohol). Option #2 - We can supply the food and drinks of your choice from our menu. Option #3 – Rock n' Roll Café food service can be available with a \$50 minimum food purchase guarantee.

*Scheduling your private event requires a non-refundable deposit of \$200 which is applied to your rink rental amount.
